WILD ABOUT ANIMALS?

ECOMUSEUM ZOO NATURE CAMP

2019 Edition

NATURE CAMP

This unique camp provides a "hands-on" approach to nature. Small groups of campers have a chance to interact with animals and discover nature.

Children will learn how to care for animals and observe their behavior. They will discover a forest ecosystem, will learn to identify insects, and will even take their first steps in wildlife conservation!

Camps are from 9 a.m. to 4 p.m.

FOR CHILDREN 6 TO 11 YEARS OF AGE

Registration is limited to 15 participants for each session. Reserve early!

ADMISSION CRITERIA

Each session has a set age requirement. Children must be of the age required by the last day (Friday) of the session for which they are registering.

Children must be fluent in the language of the session for which they are registering.

A child may be registered in only 1 session per season.

HOW TO REGISTER

To register one or more children for a session, you must complete one registration form per child (copies accepted). You may pay by cash, cheque, Visa, MasterCard or Interac.

Registration forms will not be accepted if the child's medicare number is not included.

Subject to availability, a child's registration may be changed from one session to another for a fee of \$20.

METHODS OF PAYMENT

Payment must be made in full upon registration. No post-dated cheques will be accepted.

A transaction receipt will be issued to you at registration at no charge.

REFUND POLICY

If, for any reason, the Ecomuseum Zoo must cancel a session, a full refund will be given.

If your child is registered and cannot attend camp, you will receive a refund of 90% of the total registration fee if you cancel on or before April 30th, 2019.

No refund will be given on or after May 1st, 2019 unless cancellation is due to illness and a doctor's note is presented as proof.

We reserve the right to dismiss, without refund, any child from the camp if he/she misbehaves.

*Registration is not transferable.
